

SOCIAL MEDIA CONTENT CALENDAR

WHY THIS TOOL MATTERS?

In today's communication landscape, social media are essential channels for visibility, engagement, and storytelling.

This tool helps teams plan and organise content strategically, ensuring that posts are consistent, inclusive, and aligned with the project's communication goals.

By using a structured calendar, you can coordinate posts across platforms, maintain a steady rhythm of publication, and engage different audiences more effectively all while staying green and efficient

HOW TO USE IT ?

- **Define your objectives:** What do you want to achieve? (awareness, participation, visibility, community building).
- **List your platforms:** Instagram, Facebook, TikTok, LinkedIn, YouTube, etc.
- **Plan your contents:** Identify the main themes: training sessions, cultural events, project milestones, or youth stories.
- **Assign roles:** Decide who creates visuals, writes captions, and publishes posts.
- **Set a timeline.** Plan ahead weekly or monthly to avoid last-minute rushes.
- **Track and analysis:** Review engagement (likes, shares, comments) to adjust your strategy over time.

TIPS

- **Use simple words and visuals for accessibility:** short captions, clear images, and limited text help everyone engages easily.
